# About Me

## SANSKRITI BASNET

**2 + years Experience**

Over two years, I've led the styling and creative direction of Arvind Womenswear's marketing and catalogue shoots. From styling and set creation to pose direction and final execution, I've shaped the visual language from concept to camera. My strength lies in turning garments into compelling, commercially powerful stories.

# FLYING MACHINE

# STYLING IMPACT

**6.4X** - Engagement Growth

**3X** -Campaign Reach

**3.49** → 6.89 Campaign ROI

- Developed styling concepts & outfit combinations aligned with Flying Machine's identity.
- Directed campaign & social media shoot styling.
- Led model styling, garment pairing & accessories.
- Translated collections into commercial fashion narratives.
- Collaborated with creative & marketing teams on campaign execution.
- Created high-impact, audience-focused visual content.
